PHILIPS

Fabric Shaver

Removes fabric pills Suitable for all garments, Height adjustment cap included, Rechargeable: 1hr

GC029/38

Highlights

Cutting power
The superior cutting power will enable you to have a superior fabric shave quickly and effectively.

Longer blades
The longer blades along with the biger shaving head make sure you cover a larger area at once.

Safe for you and your garments

The double safety lock will ensure you are safe while removing fabric pills and cleaning your device and the height adjustment cap will protect your precious garments.

3-sized holes mesh

3-sized holes mesh to shave all fabric pills at once.

Specially designed head
Specially designed shaving head with a larger surface to shave more pills faster and a pointed tip to guide you through the most difficult areas.

Large removable pill container
The container, where the shaved off pills are stored, is easy to remove and empty.

Cleaning brush

The cleaning brush helps to easily clean your appliance after use. Please follow the quick start guide included in the packaging to clean the appliance.

Rechargeable
Recharge your Fabric Shaver easily with the power plug in only 1 hour. A red light indicates the device is charging, once the device is fully charged a blue light will indicate it is ready for use.

Cadmium free battery
The rechargeable battery of your Philips appliance is cadmium free, which makes it a safer choice for the environment.

Special height adjustment cap
The special height adjustment cap with 3 settings will enable you to remove fabric pills even from the most delicate garments.
